NOTICE

MINOR PROJECT SYNOPSIS SUBMISSION

All final-year ECE students must submit the **Minor Project Synopsis** on or before **09/8/2024** in **Project Lab room no. 5301**. Students should ensure that the project is innovative and has some importance to society.

A synopsis should contain the following points and comprise 5 to 10 Pages:

- i. Cover Page (Format attached herewith this notice)
- ii. Contents
- iii. Introduction
- iv. Objective and block diagram of project
- v. Methodology and Tool Used
- vi. Advantages and Application of the Project
- vii. References
- viii. Research paper related to the project (would be used as base paper for your project).

Note: 1. A mentor can have a maximum of **four** groups.

2. A group cannot have more than **three** students; otherwise, permission from the undersigned is required.

3. Area of specialization of all faculty members is enclosed with this notice.

4. All students are supposed to make their group from their own shift.

5. For inter-departmental projects, prior permission is required.

6. Synopsis should be submitted to the project in charge only after verification by their respective mentor.
